

LOSS CONTROL SERVICES OVERVIEW

DO YOUR EMPLOYEES KNOW HOW TO RESPOND TO A LOSS?

- A quick response to a loss can be the difference between a minor incident and a costly disaster. At Offenhauser & Co. Insurance, we have the resources you need to prepare your business and employees for a variety of scenarios.

HOW EFFECTIVE IS YOUR RETURN TO WORK PROGRAM?

- The longer a workers' compensation claim stays open, the more it will cost you. We can help you implement a comprehensive return to work program that will protect your bottom line, while still providing your employees with appropriate care.

ARE YOU TAKING THE PROPER STEPS TO KEEP YOUR EMPLOYEES AND BUSINESS SAFE?

- Creating a culture of safety in the workplace is key to keeping your employees healthy and avoiding costly accidents. Our library of documents includes employee-facing articles, safety manuals and other materials that can help you ensure your business's health and safety.

RESPONSE PLANS AND PROGRAMS

To ensure your long-term success, your business needs to be ready to respond to a number of risks at any given time. These programs and response plans can help you and your employees be ready for a wide variety of scenarios, such as severe storms, cyber attacks and workplace violence.

INJURY AND ILLNESS INVESTIGATION PROGRAMS

Make sure that injuries and illnesses only cost you a single time. These resources can help you establish best practices for investigating the true sources of workplace incidents and reduce the chance of costly reoccurrences.

RETURN TO WORK RESOURCES

Use these return to work materials to reduce the length of workers' compensation claims and support your employees. These policies, forms and employee communications will help ensure that everyone at your business is on the same page and focused on controlling your costs.

EMPLOYEE SAFETY COMMUNICATIONS

Access a variety of safety manuals, newsletters, flyers and other materials that you can use to promote workplace safety and lower the chances of future losses.

COST-CONTAINMENT RESOURCES

Help contain your business's costs with these evaluators, checklists and action plans. Many of these tools can be customized for your organization's specific needs, so you can see how your business is faring and learn ways to manage your losses.
